

Valley Walk, Croydon | £950,000

A Fabulous 5 bedroom detached house located in Shirley within easy reach of West Wickham and East Croydon train stations and close to Trinity School.

Offering just under 2,200 sq ft of living space, the house really does have the wow factor with a perfect mix of a contemporary and traditional finish to the property.

Upon entry you walk into a fabulous hallway that in turn leads through to a huge open plan reception/dining/kitchen that continues outside via glass doors to a lovely garden and patio area.

This amazing room is the hub of the house and has a wonderful feel to it with natural light flooding through it. The kitchen is high spec and obviously offers all built in appliances and granite worktops and centre island/breakfast bar and there is also a separate utility room as well to keep the washing out of the way! There is also a dining area and lounge area incorporated to this stunning living space.

The house also offers an additional living room to the front of the house that has a lovely feel to it as well as a 5th downstairs bedroom with en-suite bathroom.

Upstairs to the first floor and you'll find 3 double bedrooms, the master coming with an ensuite bathroom and a good size single/small double with fitted bunk beds. There is also a beautiful family bathroom.

The house is finished immaculately throughout and is perfect for buyers that are looking for that final forever home.

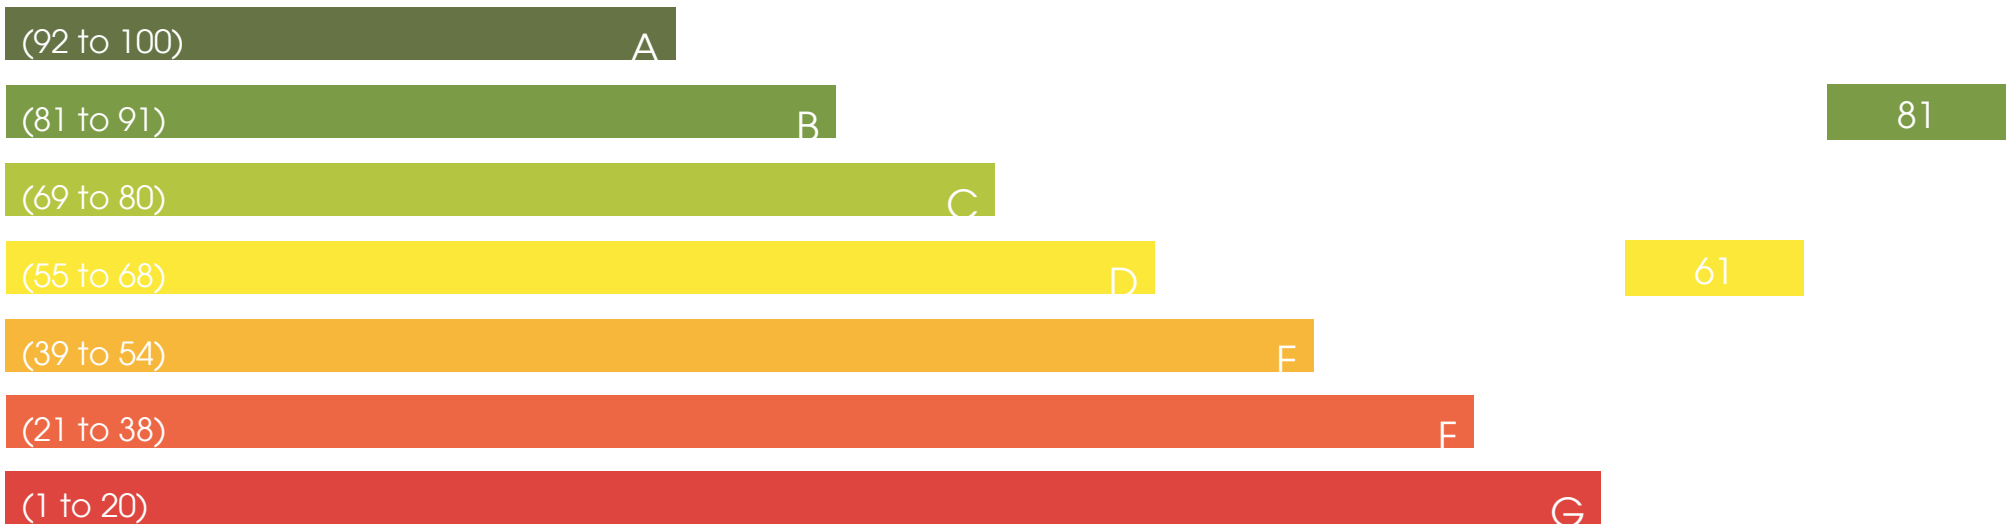

We would strongly recommend coming to see this stunning home as it's even better when you see it for real.

The house is also available to purchase fully furnished with the lovely furniture that is currently in the property.

Available Chain Free.
